

November 17, 2022

*Rejoice always, pray without ceasing, give thanks in all circumstances;
for this is the will of God in Christ Jesus for you.*
I Thessalonians 5:16-18

Give Thanks in All Circumstances

by David Nakhla, OPC Disaster Response Coordinator

We seldom focus on the monetary amount given to OPC Disaster Response. Over the years, we have come to take for granted that each disaster response effort seems to receive more than enough funds to faithfully carry out the necessary response work. However, recently we were astounded to realize that in 2022, total gifts to specific disaster response funds have exceeded \$1,000,000! The Ukraine Crisis Fund, opened on February 24th, has received more than \$700,000 and the Kentucky (Neon) Flood Fund, opened July 28th, has received almost \$350,000. The previous record of disaster response gifts received was in 2017 when the OPC suffered from three hurricanes within three weeks; the total amount given that year was just over \$600,000. This year's giving exceeds that by more than 75%! It really is incredible to know of the love and concern of God's people toward those in distress.

As difficult as it may be to *rejoice always* and *give thanks in all circumstances*—especially in the midst of a disaster—it's often those difficult circumstances that give rise to matters for which to rejoice and give thanks. So, in this season of thanksgiving, we thank the Lord for you—the donors, volunteers, senders, and “pray-ers”. The work of short-term missions and disaster response is effective through your faithful giving of time, treasure, talent, and prayer. Soli Deo Gloria.

UPDATES

Still Much Unresolved—

by Trish Duggan, OPC Disaster Response Communications Coordinator

It's hard to imagine continuing to live in a soggy, mold-filled home, but that's what many in the community of Neon have had to do without much promise of change. This desperate need is what has led OPC Disaster Response to begin Phase 2 in Neon, Kentucky. Although we are thankful that Neon Reformed OPC was able to hold regular worship services in their building on Sunday, October 23, 2022, there is another facet to the ministry of mercy in Neon. Many residents, without any means to repair their homes, are forced to continue to live within the destruction. This is the focus of the second phase of disaster response efforts in Neon.

Update on Missionary Associate Jed Homan—

“There is no way to even start to understand life here without being here. Living here, seeing how the mission operates—it's been enjoyable and eye-opening,” says Jed Homan, Missionary Associate at the OP Uganda Mission. Jed is beginning his third month of work in Nakaale, Karamoja, Uganda and reports that it has been satisfying to be able to make progress on the various maintenance projects he's been working on and knowing that what he's doing is serving the mission.
